Final Note by the First Member of Council.

Subject:—

Stoppage of feeding in the Government Annachattram at Mandagadde in the Tirthahalli Taluk and the disposal of the chattram building by auction sale.

In May last the Deputy Commissioner, Shimoga, reported that the chattram building at Mandagadde was in a dangerous condition requiring immediate repairs and submitted an estimate for Rs.500/- for the urgent repairs of its roofing etc. These were sanctioned in Government Order No.6695-6/Muz.704-19-8 dated 31st May 1922 and the Deputy Commissioner was requested to report whether it was still necessary to run the chattram as a feeding institution.

2. The Deputy Commissioner has reported that the chattram building is much too dilapidated for practical use being made of it and that it may, therefore be sold and the amount realised credited to the chattram funds. The Muzrai Commissioner recommends that the chattram may be ordered to be abolished and the building disposed of by auction, the amount set free by the abolition of the chattram being utilised for the additional grant required to meet other urgent demands. The late Deputy Commissioner of Shimoga, Mr. G. Aravamudu Iyengar, who was consulted unofficially, was also of the opinion that the feeding might be stopped in this chattram as most people go to Tirthahalli by motor bus and jatkas and few halt at Mandagadde at present. There is now a regular motor service between Shimoga and Tirthahalli and as such not many halt at Mandagadde. There will, therefore, be no inconvenience caused by the closing of the chattram

estion.

The annual tasdik of the chattram is Rs.479-6-0 and a draft order sanctioning the Muzrai Commissioner's recommendation is submitted for approval.

282-22-

Sir,

Adverting to para 2 of Government Proceedings No.6695-6/M.F. 704-19-8 dated 31st May 1922, enquiring whether it is necessary to run the Government annachattram at Mandagadde in the Thirthahalli Taluk as a feeding institution even now, I have the honor to forward herewith correspondence ending with letter O.C.No.1409/21-22 dated 24th November 1922 from the Deputy Commissioner, Shimoga District, stating that the chattram as a feeding institution is not of much use at present and that it seems better to utilize the available savings in the improvement of the services of the chattram at Thirthahalli which is a Thirtha and a place of Pilgrimage. He further states that as the building is much too dilapidated for practical use, it may be sold and the amount realized credited to the chattram funds.

This is not found in the D.C. letter or the correspondence accompanying.

2. I agree with the opinion of the Deputy Commissioner regarding the abolition of the chattram and accordingly recommend that the chattram may be ordered to be abolished with effect from the commencement of the next calendar year and the building disposed of by sale in auction. The amount set free by the abolition of the chattram may be utilized for the additional grant required for the Tirupati charities, pending the general question of the revision of the grant about which a separate reference will be made.
